

Some figures

Chambéry Savoie Mont Blanc airport is operated by VINCI Airports on behalf of the Council of Savoie.

Ideally located between lake and mountains, it is the best gateway to the major ski resorts of the French Alps.

In 2016, more than 210,000 passengers flew to the airport by the dedicated business aviation terminal, its 12 scheduled European flights and its ski charter flights operated by 20 tour-operators.

A complete refurbishment of the terminal has been made in 2016 to improve customers satisfaction. VINCI Airports, a top 5 global player in the international airport sector, manages the development and operations of 35 airports located in France, Portugal (including the hub of Lisbon), Cambodia, Japan, Dominican Republic, Chile and Brazil.

Served by around 250 airlines, VINCI Airports' network handled 132 million passengers in 2016. Through its expertise as a comprehensive integrator and the professionalism of its 11,000 employees, VINCI Airports develops, finances, builds and operates airports, leveraging its investment capability, international network and know-how to optimize the management and performance of existing airport infrastructure, facility extensions and new construction. In 2016, its consolidated revenue amounted to €1.05 bn.
